<u>Logging in</u>

- 1. Using Google, search 'Dallam Primary School' and click on the top link.
- 2. At the bottom right of the page, click the 'dB login' button.

3. Enter your username and password then click 'log in'. A copy of this is included in your home learning pack.

Home Learning

1. When you log in you will see tasks that your teacher has assigned for you to complete. These will be in the 'Things to do' box. When your teacher has marked your completed work the comments will appear at the top of this page.

2. Scroll down until you see your class name next to the monkey on the left. This will take you to your class home page.

5. Back on your own individual home page you will see a tab labelled "my work". In here you can upload photos of work and activities you have been doing at home for your teacher to comment on.

6. You can also access extra games and activities by clicking the 'Activities' tab on the left of the page.

1. You can also send mail to your teacher if you have any questions about your work by clicking on the 'Mail' tab on the left of the page.

2. Tick the box next to the name of your class you want to send a message to.
