

Geography – Long Term Plan 2024-2025

Year group	Autumn	Spring	Summer
Seedlings (N2)	I can notice changes within the environment.	I can use a variety of senses to explore the natural world.	I can recognise different areas of school I can talk about and describe what I can see, hear, touch and smell.
Acorns (N3)	I can talk about familiar features of my local environment	I understand that there are places outside our local environment and compare the similarities and differences between these and where I live.	I know that there are different countries in the world and talk about the differences I have experienced or seen in photos.
Reception	I can describe what I see, hear and feel whilst outside.	I can recognise some environments that are different to the one in which I live. I can recognise some similarities and differences between life in this country and life in other countries.	I can explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps. I can describe my immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. I can explore the natural world around me, making observations and drawing pictures of animals and plants. I know some similarities and differences between the natural world around me and contrasting environments, drawing on my experiences and what has been read in class. I understand some important processes and changes in the natural world around me, including the seasons and changing states of matter.

Geography – Long Term Plan 2024-2025

Year group	Autumn	Spring	Summer
Year 1	Where do we fit in the world? <ul style="list-style-type: none"> Locating the United Kingdom in the world and the four countries it is made from. Naming the seven continents. 	A fieldwork study in the school grounds. <ul style="list-style-type: none"> Exploring and observing the geography of the school grounds including human and physical features. 	What do other places in the UK look like? <ul style="list-style-type: none"> Identifying the human and physical features of Warrington and comparing it to other places.
Year 2	What lies beyond Warrington? <ul style="list-style-type: none"> Use world maps, atlases and globes to identify and name continents, oceans, the countries in the UK and the surrounding seas. 	How does the wider world compare with Warrington? <ul style="list-style-type: none"> Comparing the geography of Warrington to the Amazon Rainforest in Brazil including human and physical features. 	A fieldwork study in the local area. <ul style="list-style-type: none"> Exploring and observing the geography of the local area including human and physical features.
Year 3	What are the different types of settlements in the UK? <ul style="list-style-type: none"> Locating and comparing counties, cities, towns and villages in the UK 	How does Warrington compare to other places in the North West?
