School Vision: **Success at the Heart of the Community**
We: **Nurture.....Inspire.....Achieve**

School value: **ambition**

The highlight of the week for me were the KS1 and KS2 Sports Days.

Despite a slightly uncertain start, with the weather keeping us guessing early on Wednesday morning, we were delighted when it cleared just in time for our events to go ahead. Key Stage 2 kicked off the day with great enthusiasm in the morning, and by the afternoon the sun was shining brightly - perfect conditions for Key Stage 1 to enjoy their races in the warm sunshine.

It was great to see children from across the school showing tremendous energy and excitement as they took part in the activities. From classic running races to Dallam favourites like the sack race, javelin, and egg and spoon, there was something for everyone to enjoy. Every child was supported and challenged to take part, ensuring a fully inclusive day where all could achieve and cheer on their friends.

We were especially proud of the way our children of all ages demonstrated our school values throughout the day. Competitors showed fantastic resilience and ambition, giving their best effort in every race. It was also wonderful to see our Key Stage 2 children supporting the younger ones with independence and care during the afternoon events, showing excellent leadership, kindness, respect, and inclusivity. It was so lovely to see how proud the children were of their stickers as they left the field

A huge thank you goes out to parents and carers for joining us and making the day so special. The parent races were a real highlight—fiercely competitive and thoroughly entertaining! The toddler races were equally memorable, and so cute!

The turnout from families was fantastic, creating a great atmosphere. Events like this truly highlight what a wonderful community we have at Dallam – I'm so proud to be part of it. Our children love sharing these special moments in school with their loved ones, and it was lovely to see so many of you there supporting them.

Finally, a huge thank you to the staff, who worked incredibly hard behind the scenes to organise such successful events. Their dedication ensured the day ran smoothly and provided a positive experience for every child.

Well done to everyone involved 🏆

This week, Mrs Wooster has met with parents and carers of our new Reception children in September. A really important message that she gave them was that developing the habits of good attendance and punctuality in a child's earliest years, sets them up for life – beyond primary school, through secondary school and into college and the world of work.

When children miss a day or two of school every few weeks, they very quickly fall behind the other children in their class. This affects their learning and their friendships and can lead to them enjoying school less as a result. If your child is a little unwell in the morning – bring them into school – more often than not, as soon as they see their friends and start exploring the day's activities, they are right as rain. If they are ill – we will always contact you to pick them up.

As always, if you need any support with your child's attendance, speak to your child's class teacher, Mrs Wood, Mrs Wilson or Mrs Downey.
